OPTOKON announce new representative in Pakistan

OPTOKON, a. s., is pleased to announce a new representative in Pakistan. The new representative is: WAHAJ Group, Bungalow #19-1-C, Block -6, PECHS, Karachi, Pakistan.

(0092-21-34395915 & 0092-21-34395910)

Represented by;

IQBAL MUHAMMAD FARZAND, TAHIR MUHAMMAD FARZAND and Brig SULTAN MEHMOOD SATTI (Retd), Flat No.03, 2nd Floor, 96 West Khyber Plaza, Fazl-e-Haq Road, Blue Area Islamabad.

The WAHAJ Group will supply OPTOKON equipment, services, optical fibre and accessories.

Ing. Jiří Štefl, General Director & CEO of OPTOKON: "A new partner in Pakistan indicates the further expansion of OPTOKON across the global fiber optic markets. We are delighted to work with a new business partner can play an active role in the world's 45th largest economy and a country characterized as one of the growth-leading economies in the world today. Pakistan has always had close trading ties with the Gulf States—a region where OPTOKON continues to expand its business—and the establishment of a new distributor means that we can enhance our services to our customers and partners in South Asia and the Middle East."

About OPTOKON, a.s.

OPTOKON a.s. is a leading global producer and supplier of premium active and passive fiber optic components specializing in fully tested integrated data network, FTTx and tactical military solutions. Our components and solutions can be found in applications in businesses, communities and armed forces throughout the world. OPTOKON was founded in 1991. The OPTOKON calibration laboratory was established in 1999 and accredited under ISO 17025 (CAI reg. no. K2315) for calibration of fiber optic test equipment. Additional information regarding OPTOKON is available on www.OPTOKON.COM.
