

Application:

- FTTH optical networks measurements
- PON optical networks measurements

Ordering Code:

Single port power meter:

- PM-830-P2-FC FC/UPC optical interface
- PM-830-P2-SC SC/UPC optical interface

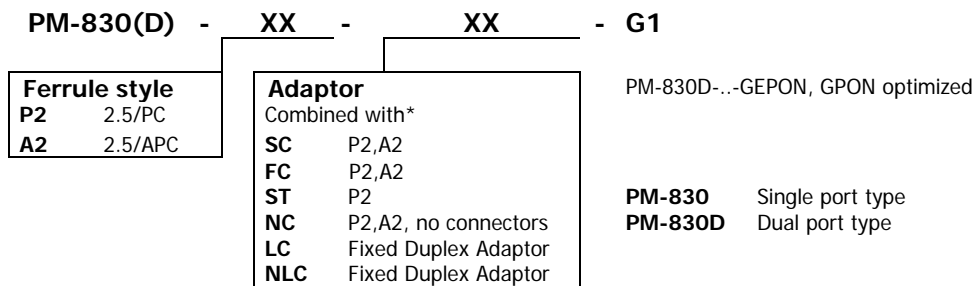

Dual port power meter:

- PM-830D-P2-FC-G1 Two FC/UPC optical ports
- PM-830D-LC-G1 Duplex LC/UPC optical port

hard case for one tester¹

Note: 1) standard accessories, allows storage of one tester

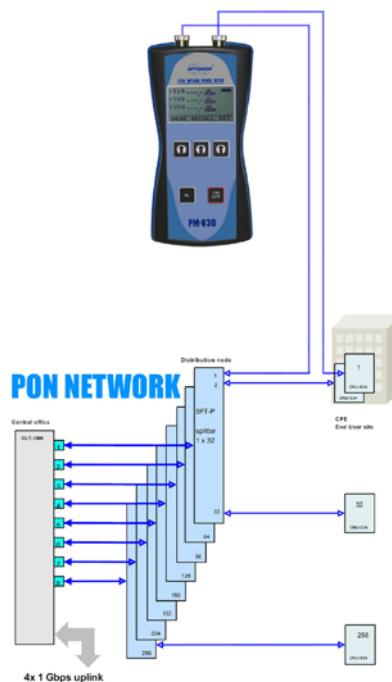

*) LC type – fixed adaptor, not removable
Other interface on request

Dual port

PM-830D-P2-FC-G1

Typical application

Options

TE-OB-01
soft case for one tester

TE-HC-03
hard case for two testers

Compliant with RoHS-requirements (2002/95/EG, 27.01.2003)
